

## Extend and deepen your knowledge of Dentistry

If you are interested in studying Dentistry you may want to investigate it further to extend your knowledge in preparation for applying and interviews. The following resources will help with this.

### Podcasts

[Protrusive Dental Podcast](#)

[Dental Leaders](#)

[Oral Health](#)

### Dentistry Resources

[Centre for Disease Control and Prevention Oral Health](#)

This is an American website covering many dental issues.

[Dental Protection](#)

Dental Protection is part of the Medical Protection Society. They aim to support safe practice in medicine and dentistry by helping to avert problems in the first place.

[The British Fluoridation Society](#)

BFS works to improve dental health in the UK through the introduction of water fluoridation schemes.

[Dental Schools Council](#)

Is the authoritative voice of dental education in the UK and Ireland, engaging in representative and policy work on matters relating to dental education. The Dental Schools Council works to maintain and improve quality in education, clinical training and research.

[Dental Mentor](#)

Their aim is to widen access and develop wellbeing and mentoring support into dental school. Over the last decade they have helped students become happy and successful dentists

### Professional Dentistry Bodies

[British Dental Association](#)

[General Dental Council](#)
